

World Kidney Day 2019: The future of detection, prevention and treatment

Saturday, March 16 | 9 a.m.–12 p.m.

Join UCI Health for a special symposium about kidney health, featuring leading experts in nephrology, urology, transplant and nutrition. This year's event will feature American Idol finalist, Scott MacIntyre, along with performances by Tony Inzalaco, Dan Dunshee and Jaszy Lady.

You are invited to attend this event to enjoy lectures, live music and refreshments.
