

Facts and figures

UCI Health, one of California's largest academic health systems, is the clinical enterprise of and powered by the University of California, Irvine. The 1,317-bed system comprises its main campus UCI Medical Center in Orange, Calif., the UCI Health — Irvine medical campus, four hospitals and affiliated physicians of the UCI Health Community Network in Orange and Los Angeles counties and ambulatory care centers across the region.

Hospitals

UCI Medical Center is a 459-bed acute care hospital providing tertiary and quaternary care, ambulatory and specialty medical, behavioral health and rehabilitation services. It is the primary teaching location for the UC Irvine School of Medicine.

The UCI Health Community Network, established in 2023, comprises UCI Health — Fountain Valley, UCI Health — Lakewood, UCI Health — Los Alamitos and UCI Health — Placentia Linda.

The UCI Health — Irvine acute care hospital opens late 2025.

Other centers of interest:

- Chao Family Comprehensive Cancer Center
- Comprehensive Stroke Center
- Digestive Health Institute
- Gavin Herbert Eye Institute
- Neuropsychiatric Center
- Regional Burn Center
- Orange County's only adult hematopoietic stem cell/bone marrow transplant program
- Region's only Level I trauma center and Level II pediatric trauma center
- Region's only high-risk perinatal/neonatal program and maternal-fetal transport system

Highlights

- The Chao Family Comprehensive Cancer Center is one of only 57 National Cancer Institute (NCI)-designated U.S. comprehensive cancer centers and the only one based in Orange County.
- Named a national top performer in the quality leadership annual ranking by Vizient, Inc. The UCI Health outpatient care network is also ranked among the top five ambulatory systems nationwide.
- More than 200 UCI Health physicians are recognized as "Physicians of Excellence" by the Orange County Medical Association, more than any other health system in the region.
- UCI Medical Center is the county's first hospital to receive Magnet® recognition for nursing excellence. It is among an elite group of institutions worldwide to be designated five times.
- UCI Health — Irvine is the nation's first all-electric acute care hospital.
