

# Summer Healthcare Experience

## Exploring careers in healthcare

Are you considering a career in healthcare? Do you want to know what it's like to be a doctor, nurse, pharmacist, social worker, medical researcher, healthcare administrator, physical therapist or other healthcare professional?

### During SHE you will:

- Shadow physicians and other health professionals.
- Get in the action: simulate surgery, learn CPR and get to know role models and mentors in the field.
- Attend career panels to learn what it takes to make your career dreams a reality.
- Plan, research and present a digestive health awareness project with guidance from a faculty member.

## Preparing for college

### Daily classes and individualized counseling on:

- Choosing where to apply
- Learn to network
- Perfecting your personal statement
- Preparing for interviews

Upon finishing the program, all participants will receive a reference letter for college applications and certificate of completion.

Career exploration & college preparation for young women

# Summer Healthcare Experience (SHE)

## Career exploration and college preparation for young women

UCI Medical Center | Jul. 29–Aug. 2, 2019

Young women between the ages of 16 and 18 and who will be juniors or seniors during the 2019 to 2020 school year are invited to apply to the SHE program at UCI Health. Up to 35 young women will be selected to attend SHE. Ten full scholarships are available based on merit and financial need.

### Program details

#### During the week, students will:

- Shadow and learn from physicians, nurses, administrators, research scientists and allied health professionals.
- Participate in hands-on labs and procedure simulations.
- Receive personalized college counseling, including test preparation, essay clinic and interview coaching.
- Collaborate on a digestive health awareness project.
- Complete American Heart Association Basic Life Support training.
- Meet mentors and local like-minded peers.
- Graduate with a certificate of completion and reference letter for college applications.
- Breakfast and lunch will be provided daily.
- Receive a set of scrubs and a graduation reception for families.

Program begins at 7:30 a.m. and goes until 5 p.m. daily. Students may drive themselves or, parents to pick up student in a designated area.
