

INSTRUCTIONS:

- Start 6-month CLEAR Kit regimen after hospital discharge
- Each regimen cycle is to be done for 5 days (Monday-Friday) every other week
- Highlighted weeks represent the "ON" weeks of the regimen

*Month 7:

S	M	Т	W	Т	F	S

*If you started late on month 1 and could only use the kit for one week during month 1, use the kit for one week in month 7.
