

We've got your back — on campus & on wheels

Parking and transportation services | Ride & rescue complimentary assistance

Need a hand with your car or bike?

We offer complimentary assistance for UCI Health co-workers, patients and visitors at the Gold and Blue parking structures. Whether you need help locating your vehicle, a jump start, gas can service or tire inflation or flat repair for your vehicle or bicycle, our friendly team is ready to help.

We're proud to support our UCI Health community with simple, reliable service that keeps you moving.

For assistance, please call 657-716-3275. Our hours of operation are Monday through Friday, from 7 a.m. to 10:30 p.m.

Jump start

If your vehicle does not start, we provide a free jump start service.

Use of gas can

If you run out of gas, we will help you. We will drive you to the nearest gas station, provide a gas can to fill your vehicle and assist you with starting it.

Tire inflation

Fix-A-Flat/Tire Sealant. We offer a tire inflation service for flat tires.

Locate your vehicle

We understand that parking can sometimes be difficult, and finding your vehicle may be a challenge. Please let us know if you need assistance in locating your vehicle.
